# Australia Awards Scholarship (Philippines) Mentoring Agreement

We are voluntarily entering into a mentoring relationship and have discussed and agreed on the following goals and objectives in relation, BUT NOT LIMITED TO, the development and implementation of the Re-entry Action Plan (REAP) of the Australia Award Scholarships Awardee:

- 1.
- 2.
- 3.

We have discussed the guidelines by which we will work together, develop, and in that spirit of partnership, collaborate on the development and implementation of the Re-entry Action Plan (REAP). In order to ensure that our relationship is a mutually rewarding and satisfying experience for both of us, we agree to:

1. Get in touch with each other at least \_\_\_\_\_ through \_\_\_\_\_
2. Look for multiple opportunities and experiences to enhance the mentee's growth and development.
3. Maintain confidentiality of our relationship.
4. Honor the ground rules we have developed for the relationship.
5. Provide regular feedback to each other and evaluate progress.
6. We will accomplish this by \_\_\_\_\_ (target date). We agree to communicate regularly until we accomplish our predefined goals.

At the end of this period of time, we will review this agreement, evaluate our progress, and reach a mutually agreeable conclusion. The relationship will then be considered complete. If need be, we can renegotiate to continue our mentoring relationship, as long as there is a basis or mutually agreed upon goals.

In the event one of us believes it is no longer productive for us to continue or the relationship is compromised, we may decide to seek outside intervention or conclude the relationship. In this event, we agree to use closure as a learning opportunity.

We have read, understood and agree to these guidelines and procedures this \_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ in \_\_\_\_\_.
